## **Quick and Easy Mentoring**

**NOTE: This is for everyone – new members, long-standing members, all members.**

**Would you be willing to mentor another member for one month? \_\_\_\_\_**

**Our mentoring plans:**

**I will hand out at our meeting or e-mail the next day the name of another member for you to contact.**

**Sometime soon after the meeting, contact the other member: call, e-mail, text, ??  
Make contact. This could be someone who is a new member; this could be someone who is ill or someone who missed the last meeting.**

**Let's make this a year of building friendships with other members.**

**No written material to teach. No homework. No long commitment.**

**Easy, o.k.? Please help!**

**This can be the glue that 'binds us together in one great sisterhood.'**
