Where can we find information on “The New Local?”

“Kick Start Your Local” is a PowerPoint presentation developed by Nancy Jackson, PNP and Tina Garner, BPW/USA Treasurer. It will help your LO revitalize, invigorate and grow! It can be found in the member section of the website, “tools and resources” – “manuals and tools”

What will happen to the information on the BPW/USA website after the merger?

The BPW/USA website will cease to exist July 1, 2009. All references to dues, membership lists, links to state and local organizations, etc will no longer be available. BPW Foundation will continue to use its website at www.bpwfoundation.org. Much of the information will be available on the BPW Foundation website including YC Central, Career Center, WJF Connect a Vet, Advocacy pages, Rawalt Library.

Are we protecting our various domain names?

Yes and will be discussed by the Joint Implementation Taskforce.

Would BPWF continue to offer website assistance to State s and Locals?

No, but many States and Locals have their own arrangements and the only real connection is affinity program that some States and Locals use. The relationship with the particular affinity will be discussed by the Joint Implementation Taskforce.
