*Happy Birthday wishes
to all our October Birthdays!
Hope you have (or had) a great day!*

Yeehaw, Y'all!

Ladies,

Well, here we are in the middle of October and it's time for National Business Women's Week once again! Your executive committee has several events planned this week which have been heavily advertised in the local paper and on the radio.

I strongly encourage everyone to attend these events if at all possible and take advantage of the opportunity to celebrate and socialize with BPW sisters.

Coming up in November is the KFBPW Interim Board. This will consist of trianing, educational opportunities, and a Foundation Fundraiser on Friday night. I am attaching the call to convention along with a registration form and tentative agenda. I encourage all of you to join me in supporting Suzanne as our state president. You can attend all or part of the events and the cost includes meals.

I hope everyone is enjoying this beautiful fall weather and I look forward to seeing you at the events this week, beginning tonight at my home for movie night!

NBWW We Work Hard For the Money!

October 17 -21, 2011

Our local club will continue the tradition of celebrating NBWW with a week full of activities to involve local working women and salute supporters of working women in our community.

This year we are adding a couple of new events including an Elected Officials Breakfast and the BPW Marketplace, which is in the style of the old "Concepts" event. This event will be free and open to the public and is a fundraiser for our local BPW. More details on this event are included in the newsletter and we encourage you to pass this information on to anyone who might want to be a vendor. Applications will be taken as long as there is space available, right up until Friday.

I hope everyone will remember the origins of NBWW as we move through the activities of this week. The women who were early pioneers in the workforce faced enumerable challenges that we do not face today. Although today's workplaces have greatly improved for all of us, there are still equity issues that need to be addressed. Everything we can do to raise awareness of these issues is important.

Power Hours at the Brickyard

Several members enjoyed mixing and mingling at the Power Hours membership event on Sept. 16, 2011. No business meeting was held, and the time was well spent. Robert and staff at the Brickyard did a fabulous job with the food, and with taking care of our crowd!

Wonderful goodie bags were given to everyone present and the extras were sent with Amy as a gift for the Junior Miss Contestants.

Thank you to all the businesses who donated items for goodie bags or door prizes, it means so much to us! And congrats to all you lucky winners.

Event organizers Helen Pearson and Marsha Herndon take a breath before the evening begins.
