

Glasgow B&PW August 2010 Newsletter

The Echo

Hello again! With all of the hoopla of summer, I haven't gotten to see many of you as much as I would have liked but rest assured, B&PW never takes a break. We are always working on ways to make Glasgow and Barren County a better place for working women. We are headed into our fundraising season so get ready to volunteer. The Arts & Crafts Fair is scheduled for September 25th (rain or shine) and Bean Soup will be on October 29th.

We had a wonderful meeting in July and are looking forward to another great one in August. Kathryn Thomas and Resa Gardner are chairing our program. Please bring a guest if you can. Don't forget, September is our membership program so please keep your eyes and ears open for prospective members to invite to our membership drive.

Remember, if there is anything I can do for any of you, just let me know. I am here for you! I look forward to seeing all of you next week. Together, we can **Build Professional Women**.

Best Wishes,

Mary Beth Jessie
Glasgow B&PW President

Our goal is...

"To achieve equity for all women in the workplace through advocacy, education and information."

The 90th Anniversary of women winning the right to vote in America is August 26, 2010.

Please check out <http://www.women.ky.gov/votesforwomen.htm> and read about the Votes for Women Celebration that the Kentucky Commission on Women is hosting in Frankfort, August 26, 2010!

Do not let this date pass without fanfare, celebration, and meaning. The Kentucky Commission on Women invites you to join in the VOTES for WOMEN Celebration ... 90 YEARS and COUNTING!

This is a celebration we should all take part in to pay tribute to the women who were beaten, tortured and humiliated so we could have the right to vote! Can you imagine the strong message we can send about the power of the woman's vote in Kentucky if hundreds of women show up that day?

The Kentucky celebration will be held on **Thursday, August 26th, 2010 at the State Capitol in Frankfort, Kentucky beginning at 10:30 a.m.**

What a fitting tribute to the women who made it all possible. Help us kick off the Kentucky Women's History Project on that day; attend the rally and short presentation at the Thomas Clark History Center.

The event is free so don't forget to register, order your purple sash and reserve lunch.
See you there... wearing your grandmother's suffrage hat!
