#### PRESIDENT WORDS

Welcome to another new fiscal year. The business awaits us with many things and ideas on the monthly agendas.

June is Relay for life most everywhere and here as well. An event that is greatly supported by our club and members. With the loss of so many loved ones to cancer, including my own mother, it is always good to know that there are many survivors. **Winners** in this game.

Amanda Ishmael, Ky President Elect, presented our Installation program. Amanda gave each officer a old and different shaped key with a colored ribbon on it signifying their position. In taking over our new seat of office, for the year, we must always remember that any and all of our vital information is only a key stroke away. [www.bpw-ky.org](http://www.bpw-ky.org) .

We had a wonderful time at the State Conference. It was good to see many of you again and new faces as well. We learned many good ideas. We presented out new hardware from State Conference to our members that could not attend the conference.

This President and our club members look forward to the challenge of our petitions and working with everyone in this great state of Kentucky.

Respectfully,  
Mary Ann Lee
