Paducah River City BPW

JULY NEWSLETTER 2011

BPW Members,

I am so very excited to be serving as 2011-2012 Paducah River City BPW President. It is an honor and a privilege to be among such a great group of professional women. We have had a great year, and I look forward to another great year. We have many exciting opportunities for the women of

McCracken County, including National Business Women's Week, launching the Aspiring Professional program, and the launch of the Professional Development program.

I am originally from Salem, KY, but moved to Marion, KY 3 years ago, with my husband, Brett, and 2 children, Mariah and Aaron. Mariah is a junior at Murray State University and is pursuing a bachelor degree in nursing. She plans to be a pediatric nurse. Aaron is a sophomore at Crittenden County High School, and is very active in sports. He keeps us busy with high school golf, football, and basketball. He travels with a basketball team in the summer.

I have been a member of the Paducah River City BPW for the past 5 years. During that time, I have served as secretary and president-elect. I also serve as secretary for the western region.

I have been employed by West Kentucky Community and Technical College for the last 12 years. I began my career at the college as a nursing professor, until I was appointed as the Director of Accessible College Education in 2006. I am currently an Associate VP of Academic Affairs.

Please do not hesitate to call or email me if you need help with anything. Again, I look forward to a great year and working with each of you.

Tammy
