The Monthly Scoop

A MESSAGE FROM THE PRESIDENT

BPW Sisters,

Well I am back from my first State Conference, it was GREAT! THANK YOU for allowing me the opportunity to attend. It was full of learning, fun, and fellowship. We all should be VERY proud of our outstanding club! We were awarded the following: Contributing to KBPW Foundation, Recognition for participating in KPWM, Contributing to the Ky Cardinal, Submission of our local Woman of Achievement (Fran Roberts) and Woman of the Year (Carolyn Mounce) AND the President's Excellence Award!! (see editor's note on page 5)

Both Megan Damron and Joanne Story have agreed to serve again on a State committee. Thank you both for representing our club so well!

This is the first of our travel months. Hope you are ready to eat some scrumptious O'Charley's rolls and see another great show performed at the Pioneer Playhouse. It sure sounds like it will be an interesting one! Invite a friend or a co-worker to join you! These months are always such fun getting out to just socialize with one another.

*Lovingly,
Tammy Cundiff*

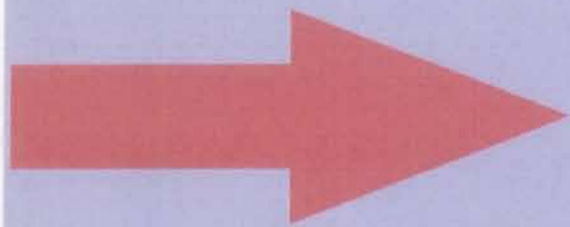

ROAD TRIP!!!

Make plans to join us on

THURSDAY JUNE 23rd at 5:30pm

We will meet at light #3 (First Southern Bank) and carpool to Danville for food and fun! We are heading to.....

**The Pioneer
Playhouse**

THE 39 STEPS - based on the novel by John Buchan. A mix of an Alfred Hitchcock masterpiece with a juicy spy novel, add a dash of Monty Python, some handcuffs and a good romance and you have a show that you don't want to miss!

MEMBER SPOTLIGHT

PAM EMERSON

In Her Own Words....

I am married to my high school sweetheart, Larry Emerson. I am blessed with two children; our wonderful daughter, Jill Davis and her husband Brian. Jill is not only my daughter, she's my friend and is the reason I'm involved in Somerset BPW. We also have a precious son, Erik, who at the age of 12 went to be with the Lord in his heavenly home. We miss him very much , but look forward to seeing him again.

We lived in Russell Springs all of our lives until 2008 when we moved to Somerset. We wanted to be close to our grand babies, 3 year old Presley and 2 year old Callie. I had a dream that one day I would live close enough to my grandchildren that they would make a path to my house. That dream is now a reality. Presley and Callie are truly the "sunshine of my life". I'm also happy that my mom, Pauline Flanagan, was able to move near us. It's nice to have family close!

I retired from the Russell County Attorney's Office in December of 2001 with 30 years of service. My husband and I are now real estate agents with Golden-Rule Wilson Real Estate.

Church is a very important part of my life; I've been a member of Union Baptist in Russell Springs since I was 18. Aside from teaching Sunday school, I enjoy traveling, rummaging through flea markets and being with my family and friends.

And This Just In

Congratulations to Dr. Angie Wilson and husband Cheston. On 6/7 at approx 3:30pm, Henry Ethan Wilson entered the world. He was 9lbs 2 ounces and 20.5 inches long. The entire family is doing great!

Congratulations is also in order to our very own President, Tammy Cundiff. Have you heard? She is expecting her 7th child on Aug. 4th. Doesn't she look great?! How does she do it?!

And This Just In

Odds and Ends

Our President is very humble, so please allow me to tell you just how **BIG** the President's Award of Excellence is! While we all had a part in it, the report that Tammy submitted had to be very detailed and precise. According to the state web site (www.bpw-ky.org), criteria included 12 categories such as retention and new member development; financial and physical support at all levels; significant support of our mission; and participation in Kentucky Professional Women's Month's Activities. We all did it, but Tammy had to put together an impressive report for our club to receive this honor. We think that SBPW has won it three times in the past, however we are for sure that this is the first time in a **LONG** time that we have received this major accomplishment. **KUDOS TO TAMMY!!!!!!!**

When I
grow up I
want to be
just like
Fran
Roberts...

Final Thoughts From The Aspiring Fran Roberts Award Winner

No matter what I'm kissing, I'm
always thinking about this
prestigious award!

Let's ponder, shall we. Why do we drive on parkways and park on driveways? If pizzas are round, why do we put them in a square box? Why do banks leave both doors open, but they chain their pens to the counter? Why don't the hairs on our arms get split ends? Why do drive up ATMs have instructions in Braille? Why are they called apartments when they are all stuck together? Why do we call the airport the terminal if flying is so safe? Why is dyslexic such a hard word to spell? Just asking.....
